Dear E-Zone O2O Trade Show Committee,

I am writing this letter to extend my support and endorsement to E-Zone O2O Trade Show.

In order to help global manufacturers and suppliers get out of the economic troughs, E-Zone O2O Trade Show has integrated traditional face-to-face communication and virtual sample showroom with an innovative online display technology. It is a perfect O2O product presenting and sales platform to make full use of global purchaser resources and develop international business relationships while keeping the cost of marketing and negotiating reasonable.

I endorse E-Zone O2O Trade Show without any reservations and wish E-Zone O2O Trade Show a great success and mutual benefit for both the U.S. and China economy.

Sincerely,

Michael A. Patterson
Councilmember, Northeast District
